

## Dry Slope Technologies

**WATER  
RAMPS**

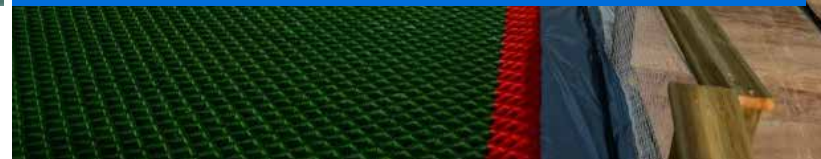

The Skitrax® mats have been used by the largest water ramps of the world for many years. Beginners, world champions or Olympic champions - everyone values the perfect gliding and the grip of the mats. The new freestyle water ramps for snowboarder, freeskier, biker, skateboarder, inline skater and tuber are a „meeting point“ for the youth.

If you require any information, please contact us via e-mail.

We are looking forward to hearing from you.

***Always where snow is missing***
